Intro to Cruyff Football Methodology

THE POSITIONAL GAME

In short, a good position on the field will allow us to have possession of the ball and to press better when we lose it.

Attack

	Season:	Week 1	Club:	U8
	Period:		Team:	
	Medio plan:		Coach:	
Comments: We will work on receiving and passing by focusing on quality of passing, first touch and good body shape. Coaching tips: - Don't get ahead of the player by telling them what they must do, let them play and correct any mistake they may make and reinforce when something is done well. - Take advantage of breaks to make corrections and ask them how and why certain plays were done correctly.				
Session 1	Session 2	Session 3		
0 - Warm-Up - Tag game The full squad 3 balls and 2 bibs. Focus: Teamwork	0- Warm-Up - Rondos: 4v1 The training starts directly with the Rondos. Focus: Utilize first touch to keep the ball moving.	0- Warm-Up - Tag game The full squad 3 balls and 2 bibs. Focus: Teamwork		
1- Control pass: Triangle 2 groups of 6 players Focus: • Quality of pass: quick, firm and played to teammate's outside foot. • Control with the outside foot. • Good body shape to receive the ball with the outside foot. Tips: • Have enough balls to put it back into play quickly.	1- Control pass: 3p line 2 groups of 6 players Focus: • Quality of pass: quick, firm and played to teammate's outside foot. • Open up passing lines. • Good body shape to receive the ball with the outside foot. Tips: • Have enough balls to put it back into play quickly	1- Control pass: finishing Full Squad Focus: • Quality of pass: quick, firm and played to teammate's outside foot. • Control with the outside foot. • Diagonal passes Tips: • Have enough balls to put it back into play quickly		
2 - Positioning game: 3v3+2 2 groups of 3 / 1 group of 4 Focus: • Triangles • Quality of pass • Control with the outside foot. • Body shape Coaching tips: • If the attacking team are struggling to string passes together, make the pitch bigger so they have more time to execute the drill better. • When the ball goes out, quickly have the extra man put it back into play.	2 - Technical game 2vs1+ finishing 2 groups of 6 players Focus: • Quality of passing • Create passing lines. • Diagonal passes Coaching tips: • Concentrate on the attacker off the ball. • The attacker and the defender must stay in the designated square.	2 - Positioning game: 3v3+2 2 groups of 3 / 1 group of 4 Focus: • Quality of pass • Control with the outside foot. • Diagonal passes Coaching tips: • If the attacking team are struggling to string passes together, make the pitch bigger so they have more time to execute the drill better. • When the ball goes out, quickly have the extra man put it back into play.		
3 - Small-Size-Games:4vs4+4 Depth 3 teams. 1 team, an extra man on goal line, and 2 players on each side of both goals. We change after every goal. Team that comes on, the keeper starts playing the ball from his own goal. Coach must be the referee.	3 - Small-Size-Games: 5vs5+2 floaters 2 teams. 2 Extra men. We change after every goal. Team that comes on, the keeper starts playing the ball from his own goal. Coach must be the referee. Rotate the extra men in every set.	3 - Small-Size-Games: 4vs4+4 3 equal teams. We change after every goal. The team that is resting is divided up; Each player goes to one of the 4 sides of the pitch with a ball. They'll act as ball boys to help with the flow of the drill. Team that comes on, the keeper starts playing the ball from his own goal. Coach must be the referee.		
Focus: • Move the ball quickly. • In front of the goal, quick finishing • Create triangles.	Focus: • Move the ball quickly. • In front of the goal quick finishing • Open up passing lines.	Focus: • Move the ball quickly. • In front of the goal, quick finishing • Create triangles.		

	Season:	U12	Club:	Date:
	Period:		Team:	Day:
	Microcycle: 3		Session: 8	Coach:
Comments: -We will focus on creating new passing lines by staggering the players' positions of the same line. -We will introduce the concept of quick reaction after losing possession and the 5" Rule. Coaching tips: - Emphasis on following up and the continuation of plays e.g. "I pass and move into a new space to create another passing line." -Encourage reacting quickly after losing possession.				
	0- Rondos 4vs2 T:15' 2 groups 10m x 10m or 32ft x 32ft Rules: • 2 touches • The player on the opposite side should create a passing line. Focus: • Quality passing to teammate's outside foot for better control. • Control the ball and keep it moving into next play.			
	1- 4P Line D001 T:20' 8m or 26ft between cones 2 sets x 9' Break between sets: 1' 2 groups of 6 players Rules: • The two groups work on the same drill at the same time. • Players 3 and 4 must wait for the right time to make their run. Focus: • Create passing line based on the player closest to the ball (opposite side) • Get into staggered position based on closest teammate. • Control the ball with outside foot. Coaching tips: • The main idea is to put together a sequence of passes with maximum accuracy and concentration.			
	2- Finishing: 1vs 1 run throw to the defender T:25' Entire squad divided into 2 groups. 2 sets x 12' Break: 1' Rules: • When the attacker begins to dribble, the defender comes out. • The defender must go around the same cone as the attacker, which is the one closest to goal. • Rotate to next position. Focus: • Dribble with furthest foot. • Get in front of and cut off defender. • Look up to see where the keeper is before shooting. • Utilize body feints.			
	3- Match: 7vs7 or Small Size Game 6vs6 T:30' If there is another team available with players of the same age or if the coach has enough players within the same squad, a 7-a-side match will be simulated using the full pitch. Utilize 1-3-2-1 formation. SSG 6vs6 Full size of 7-a-side pitch. 2 Sets x 12' Break: 4' Rules: • Real match with a 1-3-2 formation. • The coach is the referee. Focus: • Staggering of positions. • Continuing play • 5" Rule
